UI/UX	Figma, User Interface Design
Programming	JavaScript, Python, Java
Database	MySQL, MongoDB Fundamentals
Tools	VS Code, Git, GitHub
Currently Learning	React.js, Node.js

PROJECT

Personal Portfolio Website — Front-End Web Development

- Designed and developed a personal portfolio website to present technical skills, projects and professional information.
- Built the interface using HTML5 and CSS3 with responsive layouts and Flexbox.
- Used JavaScript to add interactive functionality and improve the user experience.
- Structured the website into clear sections with simple navigation and a professional presentation.

CERTIFICATION

MongoDB Overview — Completed the MongoDB Overview learning course/badge.

Additional certifications previously completed will be added after their certificate details are verified.
